DISCOVER IT FOR YOURSELF

Our MUSEUMS

That Curaçao is a paradisiacal island, with lovely sandy beaches and swaying palm trees, is well known to people. But that a wealth of cultural heritage can also be found on Curaçao, is not very known. It's time to reveal the best kept secret of Curaçao and take you on a journey through the cultural heritage and museums of the island of Curaçao.

We have Museums specialized in: Nature, Music, History, Religion, Art, Maritime, African ancestry and even specific

topics, like our Postal History, War in Curaçao, Aeronautical history.

Museums are important means of cultural exchange, enrichment of cultures, development of mutual understanding, cooperation and peace among people.

Every 18th of May since 1977, ICOM has organised International Museum Day, promoting events and activities around the world. The Museums of Curaçao have been participating since 2002.
